In the Southern area prices were unchanged to slightly higher on medium sizes and unchanged on the balance. In other areas, prices continued unchanged. The market tone was steady to fully steady, mostly steady. Demand was light to good, best where limited promotional activity was a factor. In the Western area supplies were close balanced to short. In the remaining areas supplies were adequate to barely adequate. In the Central region, breaking stock supplies were mostly adequate to occasionally tight for the fairly good to good demand. In the Eastern region, breaking stock offerings were usually adequate and demand for additional eggs was fair. Light type fowl was sufficient for current processing schedules.

**NORTH ATLANTIC** Prices were unchanged in all locations. The market tone was steady entering the weekend. Demand into all channels ranged moderate to good. Supplies on all sizes were adequate. Breaking stock offerings were irregular, but sufficient from regular sources. Demand was fair with most traders unaggressive. Light type fowl were adequate for normal processing schedules.

**NEW YORK** Prices ended the week unchanged. The market tone was steady entering the weekend. Demand into all outlets ranged moderate to good. Supplies were adequate for trading needs.

MIDWEST Prices to producers in lowa-Minnesota-Wisconsin increased 1 cents for medium and were unchanged for large and small. Prices in other areas were unchanged. Trade sentiment was steady to fully steady. Retail demand was moderate to instances good with the best movement into scattered feature activity. Food service movement was mostly moderate. Supplies were adequate to barely adequate with mediums in the tightest position. Central States nest run breaking stock prices were unchanged. Demand was mixed from area to area but was usually fairly good to good. Offerings were generally adequate to available. Floor stocks were closely balanced to adequate. Schedules were mixed from full-time to over-time. The trade sentiment was steady to at least steady.

**CHICAGO** Prices for extra large and large unchanged, mediums advanced 1 cent. The trade sentiment steady. Retail demand moderate to good, food service demand light to moderate and the best movement to specials that are planned or in progress. Supplies adequate to barely adequate with mediums reported to be in a tighter position.

SOUTHERN Prices were unchanged. In Florida, asking prices for next week's deliveries were ranging unchanged from current week. However, in Atlanta, asking prices were unchanged on all sizes except mediums which were trending higher than current week. The market tone was steady. Demand was moderate to good and best where features were in progress or planned for next week. Supplies were adequate. Breaking stock supplies were irregular but sufficient for the fair demand with most traders reported as unaggressive. Light type fowl were adequate for normal processing requirements.

**WESTERN** Prices unchanged. The market tone was steady with asking prices for next week unchanged on all sizes throughout the region. Retailer demand moderate to good. Offerings mainly short of anticipated full needs for the Christmas holiday.
